NHIPPS
CURRENT SERVICE / TREATMENT PLAN

Create the TREATMENT PLAN from within the completed ASSESSMENT Record (black tool bar)

IF problem status = TREAT or CASE MANAGE you will need to write a goal, objective and strategy.

Goal -- High level, target behavior that will address problem
    Objective – Specifically what the client will do to achieve the goal (amount / frequency / duration)
        Strategy – Specifically what the client AND counselor will do to help the client achieve the objective (amount / frequency / duration)
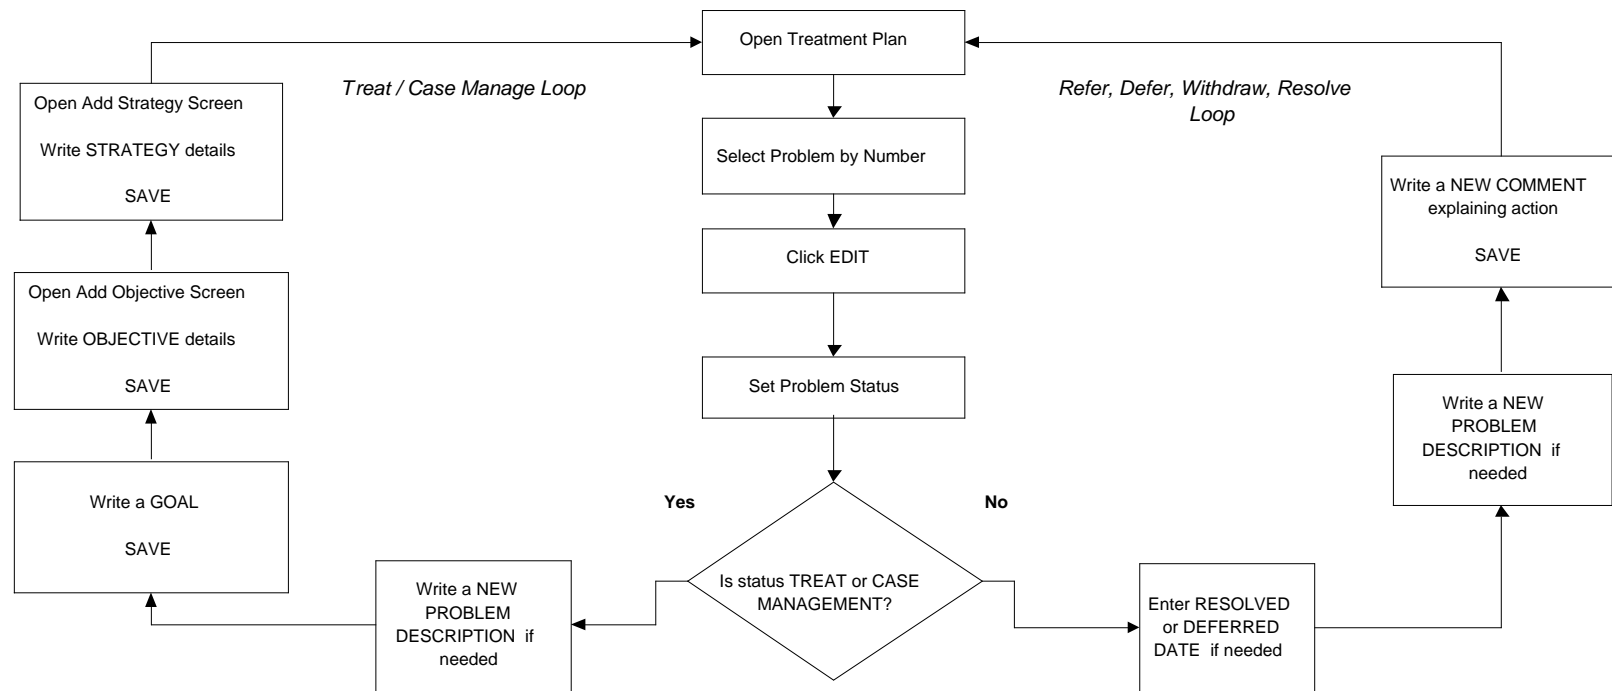

Problem Status Table

Status	Date Resolved	Deferred to Date	New Problem Description	Goal	Objective	Strategy	New Comment
Treat	No	No	If needed	Yes	Yes	Yes	No
Case Manage	No	No	If needed	Yes	Yes	Yes	No
Refer	No	No	If needed	**NO**	No	No	Yes
